Coraki Public School News

We hope everyone had a nice school holiday, Easter and Anzac Day break, with all holidays rolling into one this year. The last week of Term 1 was very busy indeed, with students preparing items for the Easter Hat Parade and Anzac Day Memorial. Firstly all students had a great time at the Easter Hat Parade and end of term assembly which attracted a great crowd. Many students were awarded certificates at the assembly for various reasons. The afternoon was alive with colour as students paraded around in their coloured Easter creations. Students enjoyed the upbeat music to walk to. Everyone also received a delicious easter egg for their amazing efforts.

Many students attended the Anzac Day Memorial at Coraki and laid wreaths to place at the Ceremony. Thankyou to all students who were able to attend the day representing Coraki Public School. You made us proud as always. Many thanks to Shane Cox for his organisation of Anzac Day. We are now preparing for a very busy Term 2 ahead with sports events, dance, performing arts, rehearsals, Naplan and student wellbeing being our focuses this term, beyond good quality and sound classroom work.
