Blaire McElligott       170
Crunch & Sip

CRUNCH:
Easy-to-eat seasonal fruit such as a small apple, a container with hulled strawberries, a mandarin or banana OR
Canned fruit in natural juice with a spoon OR
Vegetables such as carrot or celery sticks, cherry tomatoes or snow peas

AND SIP:
A clean, clear water bottle filled with plain water

Crunch&Sip® is a set break for your child to eat fruit or salad vegetables and drink water in the classroom.

Helpful Hints

- Homework is usually revision of concepts already covered in class.
- Get into a routine of doing homework at a set time.
- Ask your child to tell you about their homework.
- Don’t jump in and give them the answers. Homework is also about teaching kids to be independent learners.
  If your child is struggling with homework, talk to their teacher.
Questecon Circus was great!
