Byron Bay Trip
Tomorrow the K/1 and 2’s are off to Byron Bay for their excursion. The theme is Dolphin Dreaming which ties in work that has been done in class on “Heritage”. National Parks staff will talk about the significance of the headland site and local marine animals. Hopefully the children will spot some whales as well! I look forward to reading the stories and reports that will be the spin off from this day as well.

NAIDOC Week
If you have read our new sign [and we hope you have noticed that], you will realise that NAIDOC Week celebrations are happening here next week at school. Sharon Ballard and Marg Bosscha have organised the days and we look forward to –

- **Monday**    Assembly, cake cutting and formalities [starting 10:00]
- **Tuesday**   Group Crafts activities rotating through the day
- **Wednesday** Guest speakers and Bush Tucker lunch [starting around 11:30] Guest speakers I believe include ex-pupils from our school.
- **Thursday**  Children and their invited friend travel to Lismore for community events.

A note for this trip is going home before the end of week for the children involved only - there is no cost.

Please come on up and join us for any of the days or activities. We would love to see you here.

Everyone Welcome!
Netball Gala Day

Yesterday Mr Clarke took our team of netballers to Lismore. Ashley Collins gave us the following report

Yesterday 17/06/14
Shakaya, Chloe, Ashley, Caitlin W, Caitlin, Savannah, Amber, Jo-Leigh and Myah Went to the Lismore Gala Day.
We played 4 games with 4 quarters in each game. The quarters were around ten minutes each. It was very exhausting but we had a fantastic day. We would all like to thank Joy Writer and Jean Morgan for their help in transport. Thankyou to Kim Campton for umpiring. We enjoyed our day very much.
Thank you to all those who gave transport and to Kim Campton who was able to be a fill-in umpire also.

Chat time……
Please feel free to contact the office to arrange a suitable time to chat about any concerns or questions you may have, or if more convenient please email me at: jane.cottee@det.nsw.edu.au

National Disabilities DATA Collection

Our school is participating in the collection of nationally consistent data on school students with disability.
We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.
The data collection will have no direct impact on your child and they will not be involved in any testing process.
The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

If you do not want your child to be counted in the data collection you must let us know before the end of Term. There is a slip to use to say NO at the back of this page. A decision to exclude your child will not affect the support they currently receive.
