### Variation to Routine

If you wish to vary your child's normal routine after school we must, by law, receive either written or verbal notification from the parent/carer concerned. A message cannot be passed on by a student unless it is a written, signed note. This is a child safety issue and we appreciate your support in this matter. Please contact the school office if you have any queries about this issue.

**If you would like to discuss anything about the school:** please call the office to make a time convenient for us both. I have some afternoons free for administration work. You could also email me re any concerns.

There are lots of empty cardboard boxes around our school which means our new Interactive Whiteboards have arrived and are in the process of getting installed. This will be completed when students return in Term 2.

Our Easter Egg guessing competition was won by Alvina Kapeen, guessing the closest amount of eggs. Runners up were Jack Baker and Amy Moore. Congratulations to them all.

The next P & C Meeting will be held on Thursday 30<sup>th</sup> April at 7.00pm in the Community Room. All are welcome.

I hope everyone has a safe Easter and school holiday period. We are all looking forward to an exciting and constructive Term 2.
